MEDICINAL

Who would think there was insanity behind a drop of water? But there is. It is a favorite torture in the old days to fasten the victim where water should slowly drip on his forehead. In a little while he was a howling maniac.

Women do not, as a rule, realize how the steady drains which sometimes afflict them must at last react on the mind. Sometimes it is only fretfulness, irritability or peevishness. At other times the condition passes beyond unreasonableness to irrationality.

With the relief of the body, from disease, Dr. Pierce's Favorite Prescription gives also a cheerful mind and contented spirit. When the drains and pains are stopped the mind soars up like a balloon from which dead weight has been cast out. Mothers who never knew a happy moment when the birth hour confronted them, and younger women doomed each month to a period of mental depression as well as physical suffering, have found a perfect cure by the use of "Favorite Prescription." It contains no alcohol, neither opium cocaine or other form of narcotic.

"I suffered with female weakness about eight years--tried several doctors but derived no benefit until I began using Dr. Pierce's Favorite Prescription," writes Mrs. John Green, of Danville, Boyle Co., Ky. "This medicine was recommended to me by other patients, and I took six bottles and I feel like another person."

"I took your medicine six months and feel like a new person," writes Miss Annie Stephens, of Belleville, Wood Co., W. Va. "I have no headache, no backache, no pain anywhere."

Dr. Pierce's Favorite Prescription, and seven bottles of his "Golden Medical Discovery." "I took your medicine six months and feel like a new person," writes Miss Annie Stephens, of Belleville, Wood Co., W. Va. "I have no headache, no backache, no pain anywhere."

BRYAN ON HIS PLATFORM.
At Lincoln, Neb., on Thursday night Mr. Bryan gave out the following on the Kansas City platform:

"I am very much gratified to learn of the adoption of a platform which is clear and explicit on every question. The controversy over the silver plank was not a controversy between men who differed in principle, but rather a difference of opinion as to the best method of stating the question."

"If we only had democrats to deal with a simple reaffirmation would have been sufficient, but we have to deal with republicans as well as democrats, and some of the republicans would misconstrue a reaffirmation and endeavor to twist it into an evasion or abandonment of the silver question."

"Our appeal is to the patriotism and conscience of the people, and we must take them into our confidence if we expect them to have confidence in us."

"Our platform deals honestly and fearlessly with every question before the public and since we have nothing to explain we can spend all of our time in assaults upon republican policies. The industrial trusts have alarmed many who were not with us in our fight against the money trust in '96. We shall not disappoint them; we shall not cease our efforts until every private monopoly is destroyed."

"Imperialism appeals to many as the most dangerous of the evils now menacing our country. It involves not only a change in our head of government, but a return to the militarism of the Old World. No matter how men may differ as to the relative importance of the questions now before the country, every one must recognize that an economic evil can be corrected more easily than one which attacks the foundations of government."

"If we adhere to the principles that government is a thing made by the people for themselves, the people can in time remedy every wrong, but if that doctrine is once surrendered the people are powerless to redress any grievance."

"The six and a half million who supported the Chicago platform in 1896 stand like a solid wall against the trusts and against imperialism. If 10 per cent. of those who by voting the republican ticket brought the present dangers upon the country will join with us this nation will once more become the champion of liberty and an inspiration to the oppressed everywhere."

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

An Epidemic of Diarrhoea.
Mr. A. Sanders, writing from Coconut Grove, Fla., says there has been quite an epidemic of diarrhoea there. He had a severe attack and was cured by four doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says he also recommended it to others and they say it is the best medicine they ever used. For sale by all druggists.

QUESTION ANSWERED.
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Bilelessness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by Ernest L. Allen, Cland M. Lennon, Warfield & Hall, Charles G. Lennon, W. F. Creighton & Co., and Richard Gibson.

A gentleman recently cured of dyspepsia gave the following appropriate rendering of Burns' famous blessing: "Some have meat and cannot eat, and some have none that want it; but we have meat and we can eat." Kodol Dyspepsia Cure is thanked. "This preparation will digest what you eat. It instantly relieves and radically cures indigestion and all stomach disorders."
